

# *SpiriteSS Sanctuary*

2018 Retreat (4-7 October)  
Yarra Valley Estate, Victoria

How does it get better than this??

BOOKINGS ARE NOW OPEN  
OCTOBER 2018 SPIRITESS RETREAT

25 SPOTS ONLY

Payments plans available to start now, and they will adjust every month accordingly

There is always space to make for yourself! There is always time to be able to connect and free oneself if you make the choice. There is always time for more self love, connection, change, growth and courage.

Create a space and invest in yourself, take a calm journey and see the lengths you have travelled through your own time, and through the lineage of your ancestors: time, past times, present times.

Move your temple to the rhythm of your own heartbeat! Pay attention to your goals, needs, dreams, and desires is really what you *could* be doing! In paying mindful, daily attention, your awareness of your body gets you all your desires right now.

If you really keep it simple.. What else is possible for you?

Allow me to present to you - SPIRITESS SANCTUARY.

Spiritess Sanctuary is a place, just that. Set on 120 acres, wildlife all around, space to be, recharge, refresh, rejuvenate, in a safe environment.

Spiritess Retreat is opening up the doors for you to make your investment for October 2018. We are strictly taking only 25 women for this weekend.

Come and unpack in and on 120 acres where you will get your own room for down time., connection with other women in a weekend that will truly open new doors for you.

The involvement of our community in all we do, has made this Spiritess Retreats successful year after year.

This 4 day 3 night Retreat will bring plenty of healing, either with me, in circle, or working through exercises we share with you.

We have much planned, and as always, these events evolve over time and each month more and more is added.

I will be sharing parts of my year moving forward, my personal growth and my modalities with you, to shift and shake all out that no longer serves you.

At the Retreat, there will be sacred ceremony, flower mandalas and creative hands-on activities throughout the weekend.

Guest speakers will be announced in 2018, and we will all share our stories and modalities.

There will be Saturday afternoon markets, and readers for the day.

We will have down time one afternoon before ritual, for you to do whatever you desire.

You will receive a goodie bag when you arrive and register on the Thursday to use over weekend or take home with you.

There will be dance movement and Feminine work for you to delve into, and Access Bars demonstrated over the weekend.

And SO much more.

**Marg xx**
